

Introducing the AccessOne® MedCard:

Affordable Payment Programs for Patients and Their Families

The AccessOne MedCard is a revolving credit account sponsored by Ty Cobb Healthcare System, Inc. to our patients and their families. With this credit card you may charge medical services to your account not covered by insurance. These accounts may be used by patients without insurance or to cover the portion of the hospital bill that remains after your insurance company has paid.

Features of the AccessOne MedCard:

- All patients accepted – no credit checks
- Easy enrollment process
- No annual membership fees or prepayment penalties
- Affordable monthly payments*
- Extended terms depending on bill size
- Interest free if paid in 12 equal timely monthly payments
- One monthly statement and payment for the entire family's hospital bills

For more information or if you have an AccessOne account please click here:
